Chapter 27

Since 1920, Zonta International has grouped clubs by district. The following is information on the formation of District 13. As of 2020, District 13 has clubs in Denmark, Iceland, Lithuania and Norway.

District 13 was created in 1886 as one of the successors to District XIII, the Nordic District.

The new District 13 was tiny, with eight Danish, nine Norwegian and four Icelandic clubs. Clubs feared the economy of the new district; distances were long, transportation very expensive and there were few members to share the costs. Even if the district did not start from scratch, many things had to be reorganized. The paramount issue was to organize new clubs and to get new members. Each of the areas in the new district did their utmost to fulfill this task and each biennium saw new clubs added to the district with the result that 21 new clubs were chartered: 13 in Denmark, two in Iceland and six in Norway during the seven biennia from 1986 to 2000, and one more was well on its way. In addition, the district took Zonta into a new country, Lithuania, and three clubs were organized there before the turn of the century.

Each biennium had a District 13 Conference. The venue rotated through the three national Areas: Norway, Denmark and Iceland. It was expected that Lithuania would be a conference venue after 1994 but that did not happen. The number of participants was approximately one hundred and sometimes more. In 1987, the district adopted Supplementary Rules for District 13 as well as conference and election rules. As far as possible, the language of the district would be Scandinavian (Danish, Norwegian or Swedish spoken slowly and pronounced distinctly) and motions would be in Scandinavian as well as in English. In 2015, the delegates at the District Conference adopted District 13 Bylaws. Again, there was a debate about language and again, the result was as in 2011 – the language of District 13 would be English and Scandinavian and motions would be in both Scandinavian and English.

Cooperation with the United Nations was taken for granted, partly because Zonta had advocated for the UN and the UN Commission on Women since 1945, and partly because of the work of Past International President Helvi Sipilä. Zontians in Copenhagen advocated strongly for UNIFEM. Past International President Helvi Sipilä had addressed Karen-Margrethe Ahlmann-Olsen in 1980 asking her to help establish a support group for UNIFEM. Birte Roll Brandt of the Zonta Club of Copenhagen I, later Copenhagen II, became the prime mover in starting this group. It was called FNUK (FNs Udviklingsfond for Kvinder, or UN Development Fund for Women), and it officially began in 1982 with Birte Roll Brandt as president for the following eight years.

District 13 grew to be strong, particularly from the mid-1990s. It was a district that wanted to influence Zonta International through offering candidates for international positions and through the Zonta Rose Project.

The period between 1986 and 2000 witnessed an increase in donations to service projects from the clubs in District 13. The District 13 service project took Zonta to Lithuania and there were projects in the new Zonta country. An unsigned letter (Copenhagen, 20 May 1996) records that Danish Zonta clubs had raised DKK70,000 (approximately USD$11,000) for play, therapy and physiotherapy equipment in the treatment rooms of a Children’s Clinic in Vilnius. A report from 2000 shows that the Danish Rose Project donated DKK30,000, and the Zonta Clubs of Hillerød and Aalborg each donated DKK5,000 to establish and run a Crisis Center for Battered Women in Alytus.

It was a sincere wish when the district was created that the role of governor should rotate through the three Areas – Norway, Denmark, and Iceland. However, in 2005 the district board and Area 01 Zontians decided to create Area 02, comprising the Lithuanian Zonta Clubs of Vilnius, Alytus, Marijampole and Kaunas.

Before the 2009 District Conference, the Area 02 Lithuanian clubs asked if the district would continue the practice of taking turns to nominate candidates for governor and lieutenant governor. The answer was in the affirmative and a Lithuanian name was placed on the slate. However, as the practice of rotating the roles through the areas was not compliant with Zonta International Bylaws, an alternative candidate was nominated from the floor. The Lithuanian clubs were very angry when the alternative candidate was elected and a lot of work has been done since 2012 to revitalize the Zonta spirit and strengthen bonds between the Lithuanian clubs and the district. This process bore fruit in 2019, when Rasa Birutiene from Vilnius was unanimously elected Lieutenant Governor.

Since 2002, Zonta clubs in District 13 have advocated for women’s rights to education, and to access to decision-making positions in business, the professions and politics. There have been campaigns against female genital mutilation, and for foreign women’s integration into society. The longest and most intensive effort has been in support of ZISVAW, Zonta’s strategies to address violence against women. This was particularly the case during the 2012–2014 biennium, with the Zonta says NO to Violence Against Women campaign. This continued through the three biennia from 2014 to 2020.
There has been a focus on the Young Women in Public Affairs Award and Jane M. Klausman Women in Business Scholarship. District 13 has also had applicants for the most prestigious Zonta program, the Amelia Earhart Fellowship. In 2004, Iceland had an Amelia Earhart Fellow, followed by Norway in 2008 and Denmark in 2014.

The clubs have had very interesting service projects, both local and abroad, and have donated to the Zonta International Foundation.

**District 13 Zontians at the International level**
During the period between 2000 and 2016, District 13 made an impact at the International level.

Dögg Palsdottir, Mari Ramsten Vangdal, Maria Jose Landeira Oestergaard, Ragna Karlsdottir and Heddy Tangen Steffensen were elected International Directors after they served as district governors, and several District 13 Zontians have been appointed members of Zonta International committees:
- Past International Director Kirsten Theisen served for two biennia as Zonta International Status of Women Committee chair and also served as a director on the Zonta International Foundation Board.
- Past International Director Ragna Karlsdóttir served as Zonta International Committee Chair of OMC from 2010 to 2014.
- Maria Jose Landeira Oestergaard was elected Vice President, President-elect and served as Zonta International President from 2014–2016, the first Zontian from District 13 in this position.
- Inge-Lise Søbjerg, from the Zonta Club of Køge, was member of the Zonta International Public Relations and Communications Committee from 1998 to 2000.
- Eva Nielsen, from the Zonta Club of Esbjerg, was member of the Zonta International YWPA Committee from 2008 to 2010 and the Zonta International Centennial Anniversary Committee from 2010 until 2020.

**Z and Golden Z Clubs**
Only one Golden Z Club has been chartered in District 13 – the Golden Z Club Roskilde in Area 01 in 2003. The club closed in 2009.

**The Zonta Rose Project**
The first Zonta rose was presented at the Sydney Convention in 1984. At the District 13 Conference in 1995 in Reykjavik, the Area Director from Iceland talked about a Finnish project which raised funds by selling silk roses. The Danish PR Committee adopted and developed the idea of a Rose Project. Inge-Lise Soebjerg, a member of the Zonta Club of Køge and chair of the district’s PR Committee, contacted rose grower Martin Jensen of Bogense, Denmark, and rose breeder Robert Harkness from the UK. Together, they developed a new rose for the project, which was named “Zonta 98”. The 1998 Zonta International Convention Committee agreed to market the rose during that year’s convention in Paris, and Harkness Roses from the UK donated 500 pre-chilled roses for the event. The roses were used as decorations and in ceremonies such as memorial services and the installation of officers and directors. The Tivoli Gardens in Copenhagen were the venue of the christening of “Zonta 98” on 31 July 1999. Martin Jensen donated a large rose bed to the Tivoli Gardens, and he and Robert Harkness attended and made speeches. Many Zontians had decided to spend the afternoon in the Tivoli
Gardens for the event, among them Lieutenant Governor Mari Ramsten Vangdal from Norway and Area Director Maria Jose Oestergaard. The roses were also used to market Zonta at conventions in Oahu in 2000 and Gothenburg in 2002.

**European Seminars**
The first European Seminar took place in 1995 in Lübeck. Then, after a period of seven years without seminars, the seminars started again in Stuttgart in 2002. There have been European Seminars on a regular basis ever since. While not many Zontians from District 13 have attended, the district has been represented at each seminar.²

**The Baltic Seminars**
The Baltic Seminars started in 1999. Since then, 10 seminars have been arranged. It has proved difficult to find detailed information on the seminars. However, basic information on the dates, location and theme is listed below:

- **First Baltic Seminar:** 1–2 May 1999 in Jelgava, Latvia. “Situation and Development in the 21 Century.”

Timeline of district history highlights.

1986: Zonta International divided District XIII into three districts effective from July 1986:
• District XIII with 22 clubs (nine in Denmark, nine in Norway and four in Iceland)
• District XX with 43 clubs in Finland
• District XXI with 44 clubs in Sweden.

1990: The designation of the districts changed from Roman to Arabic numerals.

27 clubs and 839 members.³

1994: Zonta Club of Vilnius was chartered as the first Zonta club in Lithuania. The Lithuanian clubs became part of Area 01. They were with the Danish clubs in this area until 2005, when District 13 established Area 01 for the Danish clubs and Area 02 for the four Lithuanian clubs and one in the process of being organized. However, it was never chartered. Area 03 was for clubs in Iceland and Area 04 was for clubs in Norway.

2016: Clubs were organized in four Areas:
• Area 01 in Denmark with 22 clubs
• Area 02 in Lithuania with three clubs
• Area 03 in Iceland with seven clubs
• Area 04 in Norway with nine clubs.

2018: Zonta Club of Sandnes-Jaeren was lost. There were 1,026 members as of March and 1,032 as of August. (source: Zonta International Online Directory)

³ The Zontian 1990 – 1992 Program Issue
The Zonta Club of Vigrestad og Omegn was chartered.

2019: The Zonta Club of Copenhagen Multicultural was chartered and the district slowly gained members in the “individual members” category approved at the 2018 convention. During 2019, the district lost the Zonta Clubs of Esbjerg and Isafjordur-Fjorgyn.

As of December 2019, District 13 comprised 41 clubs: 22 clubs in Denmark, three in Lithuania, seven in Iceland, and nine in Norway.
